IT'S BEEN FAR TOO LONG

...and still nothing

EVERYDAY ALCHEMY

As above, so below.

THE EMERALD TABLET

"I'm so tired and exhausted of all this."

"I just wanna get out of this cycle."

"How do I not be stuck anymore?"

"So it's like I either give up or don't."

That's a lot, and nothing is wrong with you.

THE ENDLESS NOTHING

— "The weight of it all is too much."

— "I'm stuck in this cycle and I don't know what to do."

— "My mind says give up but my heart says I can't."

— "I truly don't want to give up."

— "I'm just really torn."

GUESS WHAT?

There's more to it than you've been told.

WHY IT MAKES SENSE

Is it me?

No, it's not you. Every modern spiritual practice describes the mechanism in purely spiritualized terms — Raise your vibration, maintain the state, set your intention, allow, align. That spiritualized language makes it difficult to connect the dots between your inner world and the outer world. In other words, the spiritualized language makes it difficult to connect the consciousness work, the spiritual work, with watching things unfold in your physical reality.

Does this work work?

Yes, it does work. It works when we do the consciousness work, the spiritual work, and we align our physical lives to reflect the being we define in that work, in physical reality. It works when we go and implement becoming that human in the real world.

WHAT TO DO

1. **Find a comfortable space to sit down.** Give yourself fifteen or thirty minutes.
2. **Get quiet.** Take a breath and bring yourself into the present moment.
3. **Ask yourself:** "What is it that hasn't come yet?" Allow your mind to tune in to that.
4. **Then ask yourself one simple question:** "Why is this so important to me?" Just let the answer emerge. Whatever the answer is, it's okay. Write it down on a piece of paper or in your notebook.
5. **If your body starts to tighten or tense,** take a breath and tell yourself that you're just playing with an idea.
6. **Then ask yourself:** "What if I just don't know what to do next?"
